SUMMARY

Software Engineering graduate with hands-on experience in Java, Spring Boot, RESTful APIs, MySQL, and AWS Cloud services through internships and projects. Strong foundation in object-oriented programming, backend development, and software engineering principles. Eager to build enterprise applications and expand expertise in C#, .NET, and modern software development technologies.

SKILLS

Languages: Java, C#, SQL, HTML, CSS

Web Development: HTML5, CSS, Responsive Design

Frameworks & Tools: Spring Framework, Spring Boot, .NET Fundamentals, Git, GitHub

Databases: MySQL

Other: OOP, REST API Integration, Data Structures & Algorithms, Agile Methodology

Soft Skills: Communication, Teamwork, Problem Solving, Critical Thinking

TRAINING AND INTERNSHIP EXPERIENCE

Software Developer Intern

Jul 2024 – Aug 2024

R3Sys Ltd, Nashik

- Gained hands-on experience in Core Java and Spring Framework development.
- Developed and tested REST APIs while collaborating on enterprise applications.
- Built a strong understanding of object-oriented programming concepts transferable across Java and .NET application development.

AWS Cloud Trainee

Jan 2026 – May 2026

Symbiosis Distance Learning, Pune

- Completed practical training in AWS cloud computing fundamentals and core services.
- Worked with AWS services including EC2, S3, IAM, VPC and RDS.

TECHNICAL PROJECTS

OfferBazaar | HTML, CSS, JavaScript, Java, Spring Boot, MySQL

Feb 2024 – May 2024

- Developed a full-stack e-commerce platform with separate admin, user and advertiser panels.
- Implemented product inventory management, authentication and advertiser product listings.
- Designed a responsive UI for seamless cross-device experience.

Police Inventory Management System | ASP.NET core, SQL Server, REST APIs

Nov 2025 – Jan 2026

- Developed a web-based Police Inventory Management System to manage police equipment and assets efficiently.
- Implemented role-based modules for administrators, store managers, and technicians to manage inventory, asset allocation, maintenance requests, repairs, and stock updates.
- Built secure REST APIs and an intuitive dashboard to improve inventory tracking, reduce manual paperwork, and streamline asset lifecycle management.

Tourism Management System | HTML, CSS, Java, Spring Boot

Jan 2026 – Mar 2026

- Developed a responsive travel discovery website with a user-friendly interface.
- Integrated a Spring Boot backend to deliver dynamic content using REST APIs.
- Designed mobile-friendly pages with smooth navigation and responsive layouts.

EDUCATION

R.C. Patel Institute of Technology | Shirpur

2022 – 2026

B.Tech in Computer Engineering CGPA: 6.4/10

Dr. S. T. Gujar College | Betawad

2020 – 2022

Higher Secondary Certificate (HSC) 80.88%

Indira Gandhi High School | Mhalsar

2020

Secondary School Certificate (SSC) 80%

ACHIEVEMENTS

- Solved **80+ problems** on LeetCode and **400+ problems** on CodeChef.
- Built a technical Instagram page with **19K+ followers**, sharing Java, Spring Boot and DSA content.
